# AIR-TO-AIR PHOTO FLIGHT

## VALUE

## \$15,000.00

Air-to-air photo shoot of the winner's Citation at any location within the Continental US. An experienced formation pilot will be supplied to fly with the winner for a safe and thrilling formation experience.

### Dave Lenz Testimonial

*I was fortunate to purchase Air-to-Air photography by Jessica Ambats at the CJP Convention auction two years ago. It was an experience that I will never forget. In fact, I liked Jessica's work so much that I called her earlier this year to ask her to photograph another aircraft I purchased. Jessica is very meticulous about timing, lighting and striving to get the best photos possible which, in my case, meant getting started almost before sunrise. Her work is exceptional as you can see from the photos I've included. She is a pilot and a photographer, and I would not hesitate to recommend her to anyone interested in capturing a photo of their aircraft in motion.*

# PHOTO FLIGHT WITH SEAN TUCKER

**VALUE****PRICELESS**

Air-to-air photo shoot of the winner's Citation in formation with airshow star Sean Tucker. An experienced formation pilot will be supplied to fly with the winner. Photo shoot to take place at Salinas, CA (KSNS) on a mutually agreed upon date.

**Mary Compton Testimonial**

*We just went this past week had the incredible experience of our photo flight w/ aerial photographer, Jessica Ambats, and aerobatic pilot, Sean Tucker! Not to mention that we had Randy Howell, owner/founder of Patriots Jet Team (<http://www.patriotsjetteam.com>) sitting right seat and providing unbelievably accurate precision flying.*

*I can't speak highly enough about how professional this "Photo Team" is and how fun and easy they made the shoot. It was an unforgettable experience, and surreal/dreamlike..... Aloft over Monterey Bay: Randy EXACTLY positioning our aircraft, just feet from an inverted Sean Tucker, and Jessica leaning out of her door-less Seneca capturing it all.*

*We met at Sean's hangar, and he gave us a full tour. What a gracious man! He introduced us to his aerobatic team, and made us feel right at home.*

*The greatest surprise for me was that I got to go up w/ Sean for an aerobatic experience extraordinaire! (Sean offered to take up either Dick or me, and Dick is so generous, he encouraged me to go.)*

*When I made the bid for the flight at the CJP Convention, I had no idea that I'd also be invited to fly w/ World champion aerobatic pilot Sean Tucker!*

*The whole over-the-top-experience is one I would never have had, if not for being a CJP member. Thanks CJP for providing an unforgettable life event.*
